

WEST CHESTER RUNNING CLUB

The West Chester Running Club (WCRC) was established in 2000 by a group of close friends who wanted to share their passion for running. WCRC promotes the benefits of health, fitness and competition through running. We support our members and the community with motivation and encouragement to obtain personal goals, create a social atmosphere and form lasting friendships. Our club is dedicated to strengthening self-image, supporting personal success, and providing a source of community involvement.

Runners interested in joining the club can view the running schedule and contact information at www.westchesterrunningclub.com.

The West Chester Running Club is awarding a scholarship for students graduating from Chester County high schools.
